

Regency Square Area Society

Join Your Local Society!

We aim to bring neighbours together to create a local community and improve the environment.

The Society covers the area south of Western Road from Cannon Place to Little Preston Street.

If you live in the area, or run a business locally, please join us. Others can join as associate (non-voting) members.

Just fill in the form and return it with your subscription.

Visit our web site: www.regencybrighton.com

What do we do?

- We are working jointly with the Council to improve the gardens in Regency Square.
- We publish a newsletter for members about once a month.
- We talk to the Council, and the Police about local issues such as refuse, noise, crime and parking.
- We comment on local planning applications and we have a representative on the Council's Conservation Advisory Group.
- We follow up problems raised by individual members.
- We organise events and outings, such as visits to the Little Theatre in Clarence Gardens and a recent evening with the manager of our local Boots store.
- Our web site is full of information about the Society and our area.
